FISCO Decentralized Application Platform Ltd.

Progress Disclosure on FSCC Lending
- 395,021.87111529FSCC Lending Applications as of June 14
(Percentage of floating FSCC: 4.9%)-

FISCO Decentralized Application Platform Ltd. (Head Office: Kishiwada, Osaka, Japan; President and CEO: Shuichi Shiromaru; “FDAP”) hereby announces the cumulative total of FISCO Coin lending applications as follows.

Total lending applications of as of June 14: 395,021.87111529FSCC

■ **Floating FSCC**

Distribution of FSCC holders is as follows:

- Proprietary holdings: (37.8%, 18,752,315FSCC): Number of coins held by FISCO, including non-circulating coins.
- Holdings of strategic investors: (45.9%, 22,771,335FSCC): Partners for expanding the FSCC business ecosystem.
- Holdings of general investors: (16.4%, 8,139,725FSCC): Holdings other than the above.

Proprietary holdings are non-circulating coins and the holdings of strategic investors are locked up for three-years, so it is envisaged that lending will be almost entirely to general investors. Currently, lending accounts for 4.9% of general investor holdings.

■ **Information about the Lending Application**

A smart contract has been implemented for this application on the Ethereum blockchain, which is made to prevent counterfeiting. The holders of FISCO Coin (“FSCC”) will be able to receive lending payments by lending the FSCC through a smart contract.

This application has been designed and developed as a decentralized application (“DApps”^{*1}) with the assumption that its specifications, etc. will be changed in the future based on decisions made by participants in the FSCC community.

^{*1} Stands for decentralized applications (an application with no central authority and decentralized management). A decentralized, administrator-free application that uses blockchains.

● **Overview of Application Functions**

- Lending applications for FISCO Coin (FSCC)
- Confirmation of smart contract (contract details)
- Return of FSCC that are lent and payment of lending payments

News Release

- Cancellation of automatic renewal for smart contract
